## Ramada Treetops Unit

This complex has shown one of the most remarkable " upgrades" of any Resort in Port Douglas. 2/3 od the complex is owned by Wyndham ramada.

They are excellent partners to have any complex.

More than half of the privately-owned rooms are managed by Ramada and the others are cared for by the owners or other agents.

Prior to CV-19, these units produced the best returns per capita of any units in Port Douglas. These days will return.

This large well maintained studio unit is in the letting pool.

Excellent location on the top floor in C- Block.
