Warehouse 1 

VACANT INDUSTRIAL BLOCK

This 2225 m2 block had become available for rent in the Nambucca Industrial Area. Do you need room to grow your business? Need extra storage for trucks, or equipment? Then this might be the block for you. All utilities are available from the site, but you would need to organise connection. Open to most businesses opening on site, but approval for any major dwellings (office, toilet etc) would need approval first.

Open for Inspection

By Appointment.
