Exceptional Grandeur

Stunning in its quality interior and its spacious alfresco terrace, this executive residence will surprise you. Featuring cathedral ceilings, 5 bedrooms on alternate levels which include 2 master suites and individual living areas plus study.

The expansive open living areas on the first level walk out to the covered alfresco terrace which overlooks a sparkling saltwater pool. Imagine yourself here with a cool glass of your favourite beverage whiling the hours away.

The refined and oversized master suite is featured on the entrance level of the home while the 3 additional bedrooms are located on the mezzanine level.

Suitable for extended family living, where the lower garden level incorporates a spacious master suite, bathroom, kitchenette, and air-conditioned living space. Here is an opportunity to utilise the ground floor living as a self-contained parent retreat or Air-BnB.

There is an extra-large double lock up garage with off street access to store a boat, caravan or trailer and the home is surrounded by established gardens. With ample storage throughout the home, air conditioned on separate levels and many areas to relax in privacy, this home will not leave you wanting. Located central to the waterways of the Bay, close local shopping district, schools and the cafes and restaurants of Nelson Bay.
