## Get a Few Extras

This highset home is well maintained and has ceiling fans throughout. It has a combined kitchen/dining with gas stove, separate lounge, and renovated bathroom. Downstairs there are two smaller rooms suitable as office or storage, the remainder is all concreted. In the backyard is a 6x12 colourbond shed to provide further storage or garaging. So it's your standard quarter acre, its fully fenced and it has a well cared for home. The extras are the front and back decks, the under cover outdoor area, the neat space under the home and detached shed. So if you like a little more, look here and you'll get a few extra's.
