Sanibonani - Good morning to all!

In amongst the lush flora of the Aldinga Scrub sits Sanibonani. A charming residence perfect for those in search of a tranquil escape. 'Hidden' in the best sense, you'll feel worlds away, with the only likely interruption being a visit from the local fauna.

Perched on the front deck, you'll have a front row seat to watch the happenings of the Aldinga Scrub Conservation Park – which is home to many Kangaroos, Echidnas, Possums, Birds and Lizards, while you sip your morning espresso, or enjoy a glass of red as the sun begins to set.

On a frosty morning or cold winters night you can curl up on the sofa in front of the toasty wood fireplace. Settle in with your favourite read, stream the latest episode of the series you've been bingeing, or watch the latest game on demand with free use of both Netflix & Kayo on the Smart TV.

Those looking to entertain will appreciate the built-in 'Braai' area, or as the locals say charcoal BBQ, which is equipped with its own fridge and bar counter – overlooking the garden. Adjacent to this area is the second living room, which has a comfy sofa and large TV. The grounds are fully fenced and slightly shaded by the native trees which offer extra privacy. You can toast some marshmallows or just enjoy a good conversation with friends as you sit around the fire pit.

The light filled dining area opens out onto the front deck. There is a table which seats up to six and your very own bar equipped with bar fridge.

You'll be cosy once tucked under the sheets in the main bedroom, with a split system to heat/cool and mounted TV. The 2nd and 3rd bedrooms are equally as cosy, and each has a variety of books and clothing storage spaces.

Whether you're looking for a place to unwind and 'unplug' away from the hustle and bustle, or an 'entertainer' moments from the beach, Sanibonani allows you to enjoy the best our region has to offer. You can sample the fruits of the world renowned McLaren Vale wineries, taste the delectable local cuisine at the seaside.
