Enjoying security and privacy, the villa is also wonderfully light and airy featuring vaulted ceilings and sliding glass doors. The ground floor has two bedrooms (1 x king or 2 x singles & 1 x double) plus a bathroom, separate toilet and laundry. An open-plan living room, indoor dining and gourmet kitchen opens out to a private sunny deck with your own heated saltwater swimming pool.

Relaxed outdoor dining on the poolside deck is even more inviting with the great open kitchen servery and gas Weber BBQ.

Upstairs is dedicated to the large master bedroom with a private balcony overlooking the pool and rainforest reserve, plus walk-in-robe and ensuite bathroom with a double shower. Please note, this property is not suitable for children under 5 years of age.
