The main living spaces are housed on the first floor and set under a towering vaulted ceiling. An abundance of windows and a crisp neutral colour palette perfectly complement the gleaming timber floors and open-plan design that invite you to relax with loved ones in absolute comfort.

From the well-appointed chef's kitchen, you can admire views over the living and dining space or step out to the expansive wrap-around deck overlooking the sparkling pool. Cooking will be a pleasure with stainless steel appliances, sweeping benchtops, a gas cooktop and a dishwasher while the living space has air-conditioning, ceiling fans and louvre windows for added comfort.

Two good-size bedrooms are set on this level, with each offering access to a second covered and private entertaining area plus there's a central bathroom and a laundry. For added privacy, the luxurious master suite is perched high on the second floor with a walk-in robe and a private ensuite bathroom with a bath.

Adding to the flexibility of this show-stopping layout is the ground-level with a fourth bedroom or media room and there's an office for those who work from home. The wine enthusiast will adore the cellar and there's a third bathroom plus a large workshop.

You can leave the car at home in the single carport or single garage and walk to nearby bus stops or Alex Dan Park while the picturesque Moonare park is just across the road. The revamped hub of Noosa Junction is just moments away along with the renowned Noosa Farmers Market, Gympie Terrace river shore precinct and the world-famous Hastings Street.
