## SEASCAPE STUNNER

- \* Immaculate, high-end architect-designed home in the award winning Seascape Estate, Red Head.
- \* This large home boasts amazing ocean views overlooking Diamond Beach and environmentally protected reserve.
- \* One of the main attractions of this home is the superior quality master build featuring double brick construction, suspended concrete slab throughout and extra large engineered concrete footings. No expense has been left on the build quality.
- \* The ultra modern kitchen features polyurethane cupboards, stone bench tops, dishwasher and butlers pantry.
- \* The home has 5 bedrooms, with the master and second bedroom mirroring each other with amazing ocean views, WIR and ensuite.
- \* Another feature of the property is the media room which includes surround sound. There is also a three car garage with a large storage/work shop area.
- \* For further information please contact Luke Crane on 0419 279 776.
