House 4 1 1

BEAUTIFUL TIMBER HOME

This quality timber home has been lovingly maintained in the same family for over 36 years. It presents beautifully, and we believe upon inspection, it will be an easy decision to purchase this home. Featuring four bedrooms- three with built-in wardrobes, and an additional office/store room.

The main bedroom has access to a small balcony, a perfect space for reflection and privacy.

The heart of the home offers abundant living areas, with the added comfort of a wood heater, ceiling fans and air conditioning.

The kitchen is neat and functional, while the modern laundry includes a second toilet.

Moving outside, surrounded by the established garden, there's a covered entertainment area, work shop and double carport.

Nestled in a quiet location, this home is unquestionably a "must see".
