An Absolute Gem in Bushmead

WOW, this absolutely stunning 4 bedroom, 2 bathroom family home is sure to impress from the moment you pull into the driveway.

Walking through the huge 1200mm front door, you are immediately greeted by bright and airy high recessed ceilings and beautiful tile flooring.

The walk into the master bedroom is a sight to behold. Complete with parent's retreat, a "fully decked out" walk in robe and a stylish ensuite complete with double shower & stone benchtops with twin vanities.

The 3 minor bedrooms don't disappoint either and are all a good size and have their own walk in robes.

The "heart of the home" has to be the magnificent open plan kitchen/dining and family room. The games room also complements this area with its recessed ceiling and thoughtful lighting. This light and bright area is large enough to entertain all your friends and family but also comfortable and cosy enough to enjoy with the immediate family.

The kitchen and scullery will be the envy of all your friends and family. Perfectly designed to accommodate large dinner parties or simple family meals, this kitchen and scullery comes complete with stone benchtops, quality stainless steel appliances and breakfast bar. The glass backsplash looking out onto the lush green plants are a beautiful feature of this stunning kitchen.

It's the final fit out and attention to details that make this home so special. Everything is quality, the tile flooring, the skirting boards throughout, the fully ducted r/c air conditioning and recessed ceilings takes this beautifully designed home to another level.

Outside there is a generous alfresco/entertainment living area complete with alfresco blinds. Perfect for BBQ's with the family and friends. There is also a nice grass area at the back and side of the home with the double garage (with its own store area) offering roller door access to this area.

Some of the features this property boasts include:

* Front porch with 1200mm entrance door

* Recessed ceilings to entrance hall & games room
