Solid Shack, Great Location!

Home is where the heart is but the time has come to move on. After over thirty years this much loved holiday hideaway is being offered to find new owners.

A generous allotment of approximately 700sqm just one block back from the seafront, only a few steps to the esplanade and just a short stroll to beach access and a variety of dining options.

The home offers ample living spaces including a north facing sunroom, combustion heating, split system air conditioner, laundry and bathroom facilities plus a second toilet, covered rear patio, tidy grounds, new roofing and a shed big enough for all your toys! This is certainly all about location and the opportunity to enjoy as is or turn this solid brick gem into gold with some creative imagination and a little renovation! Don't let this one slip by, inspection highly recommended.
