The floorplan stretches over two levels to make the most of this exclusive location. The ground floor offers two light-filled bedrooms and a bathroom, all with easy access out to the courtyard. The main living spaces are located on the upper level including a powder room for guests, study nook and the master suite with a luxurious ensuite and a large built-in robe.

Awaiting the home chef is a designer kitchen, bursting with high-end finishes and luxurious inclusions including a suite of Bosch appliances, a French door fridge and quality cabinetry. The open-plan design allows you to easily entertain friends while creating culinary delights.

The kitchen overlooks the living and dining space set under a vaulted ceiling that draws natural light and fresh breezes into the home. Easy-care laminate wood flooring flows throughout while sliding doors open to the two decks.

The list of extra features is impressive with additions such as soundproofing to the bathrooms and walls, fully ducted reverse cycle air-conditioning, a storage room under the stairs, an oversized garage and built-in storage within the custom bedroom wardrobes. Even the laundry has a designer touch with new appliances.

The gardens are fully landscaped and irrigated with an automatic system, so you can spend more time enjoying the pristine sands of Sunrise Beach, which is located just steps from your new home. The vibrant Sunshine Beach village is only moments away and you are a short drive from Noosa Heads, Peregian Beach and Coolum.

Additional features:

- Commercial grade block out blinds
- American Oak handrails
- Contemporary Pendant lights
- Large stone island bench
- Many European fixtures & fittings
