The property provides easy access to the B56 Oxley Highway and is situated only 30 minutes to the flourishing coastal town of Port Macquarie. An easy 15-minute commute leads to the historic township of Wauchope, and within reach is a host of quaint hinterland villages and friendly seaside communities.

Uniquely positioned between Bago Mountain and the beautiful Hastings River, this has been purposely built to take advantage of the North East orientation, delivering breathtaking views of the lush green surroundings from every angle. The interior features a warm aesthetic with elements of custom-made Australian Jarrah hardwood incorporated into every space with an unparalleled level of craftsmanship.

Features include a unique 4 metre high raked ceiling with gable windows in the lounge, dining, kitchen and entry zones, 9 foot ceilings and 2350 high doors in the remaining rooms, feature grain Blue Gum tongue and groove hardwood flooring, and an abundance of custom built integrated storage, bench tops, and hardwood louvre windows that maximise breeze and ventilation.

Three oversized bedrooms plus a study face East to encompass the morning sun and afternoon breeze from the river valley, with direct access to a huge wrap around verandah that is the ideal outdoor living space to relax or entertain with family and friends. A great conversation starter is the captivating views overlooking the picturesque landscape of Brombin, Huntingdon, and The Hastings River.

The property delivers abundant water supply providing 100,000 litre water tanks, a quick connect water line from the pontoon jetty in the large dam, an irrigation license for 50 acres, and underground pipeline to all taps, house, orchard and vegetable garden.

With cleared and well-maintained grounds, the environment is suitable to accommodate a multitude of versatile lifestyle options including accommodating horses and livestock. Outdoor storage includes a 3-metre-high powered 18m x 8m work shed including an office, 5m x 7m carport, and additional lockable storage shed near the separate guest accommodation.

This property must be seen to fully appreciate its quality craftsmanship, level of attention to detail, spaciousness, and natural surroundings.
