Positioned on over half an acre (2612), this lush & leafy, flat block offers plenty of space for the kids to play with room for a large outdoor living & entertaining area and even a pool.

The interior of the home offers a blend of original and contemporary finishes with 5 generously proportioned bedrooms (or 4 plus a study/media room), 3 enclosed sunrooms, 2 modern bathrooms, a separate toilet, a large kitchen with walk-in pantry and French Doors that lead out to the view at the rear of the home.

The home retains all the original hardwood floors, 12 foot ceilings, French doors, some vj board wall linings, sash and sliding windows and exterior weatherboard cladding. There is also a double sided brick fireplace (wood burning heater).

There is also undercover car accommodation in a single garage & carport, plus a Colorbond shed for the man cave.

This home is loaded with potential to harness the full benefit of the floor space to meet the needs of the modern family and the generously large allotment will definitely appeal to the enthusiastic gardener keen to enhance the character and appeal of the Queenslander style.

NB: Please note this home is Heritage Listed and subject to potential flood risk.

Belinda Franks and Ray White Murwillumbah are proud to offer this rare Sugar Mill waterfront opportunity for your consideration. Call Belinda to arrange your private inspection today.
