PREMIUM INVESTMENT PROPERTY

Not only a premium investment with impressive returns you also have the option of living permanently in this idyllic setting located right in the centre of town. Onsite managers provide the perfect solution to maximize your investment return - far more attractive than money in the bank! This appealing, two story / 3 bedroom / 2 bathroom apartment is set in an amazing resort style development. Well designed and loaded with natural light. This apartment is fully furnished and ready to continue with on going bookings. Owner use of the apartment is also an option by arrangement with management. A good sized yard provides the perfect location for all your outdoor living. The development also provides an inground pool & spa. So, live in or invest, you'll love it either way.
