Open for Inspection

By Appointment.

This neat and tidy entry level home is all about easy living, you can park the car and walk everywhere; the shops, beachfront tavern and surf club, sports club, cafes and restaurants doctors, transport, and beautiful Norrie's Headland for that early morning surf are only minutes' walk from the home. The home itself features raked timber ceilings, sunken lounge, combustion heater, reverse cycle air conditioning, detached large garaging with additional carport, good size 613 sqm block with plenty of access for the boat, van or even a little flat, 3 bedrooms 2 with built-in robes. It's not a huge home but there is still plenty that you can do with this home as the bones are solid. With homes of this age it's mainly all about location here with several other home owners nearby spending 100's of thousands of dollars doing extensions and renovations. Contact Wayne Moore on 0402 677401 to for more details and to arrange your inspection
