## Cool coastal home an entertainer's paradise

That cool coastal lifestyle is all yours to enjoy in this ultimate family home. There is room to move, play and entertain while enjoying a central location just moments from Castaways Beach, local shops and schools.

This stunning home encapsulates the laid-back lifestyle of Noosa and takes entertaining to all new heights with multiple living areas inside and out. The vibrant kitchen with an added butler's pantry sits in the heart of the home, flanked by a lounge room on one side and a casual family room on the other.

Sliding doors allow you to spill out to the huge balcony where you can host friends for sunset cocktails before retreating to the games lounge with a balcony, powder room, room for a pool table and potential for a bar.

A sparkling pool promises relief throughout the hot summer months while ceiling fans, ducted air-conditioning and a slow-combustion fireplace ensure year-round comfort. Lush gardens enhance the sense of privacy while providing leafy views from most rooms, helping you to feel as though you are a million miles away.

There are four spacious bedrooms and three beautifully appointed bathrooms, ensuring plenty of space for a large family. The oversized owner's suite is located on the upper level along with an ensuite and a walk-in robe. One guest bedroom enjoys an ensuite while the others have easy access to a central bathroom.

Other additions to this beautiful home are the separate and large laundry room, an attached two-car garage as well as a secure carport for additional storage, solar power and maximum under-house storage opportunities.

Enjoy being tucked away from the rest of the world at the edge of the National Park whilst listening to the blissful sounds of native bird life, and being only a short drive from the vibrant Sunshine Beach Village, Peregian Beach and world-famous Noosa. The close proximity to the locality of shopping outlets and convenience of cafes and restaurants makes this property the ultimate family location.
