## POSSIBLE SUBDIVISION AT REDRIDGE

This is a good area between Bundaberg and Childers.

Bundaberg being 20 minutes, Childers 15 minutes and Woodgate Beach 20 minutes.

111.9 hectares that did have approval from Council to subdivide but has been let go.

3 road frontage block of land that has some clearable land and some in the colour. Great greeny subdivide block giving 5 acres with an area left for nature bush walks, birdlife and wildlife for them to observe, see attached veg maps.

The block has 2 creeks running though, good flood free elevation, great View and gentle undulation.

There is some good timber in the veg colour area, put forestry management over the block and sell timber.

**Open for Inspection**

By Appointment.
