An Impeccable Home Of 60yrs - First To See Will Buy!

This is one very, very neat home - yes it is nanna's home that she has loved for over 60years. This level of 'sparkle' is rarely seen and oh it's such a pleasure and an honor to offer such a loved home.

Located in a very quiet area, in a no-through street this would be a great first home or investment property - you could have a tenant in place straight away paying between \$340/wk - \$360/wk. And you don't need to spend a cent on this property for many years.

I think the first to see this one will buy!
