

29 Moore St, Rosedale, VIC 3847

Sold - 16/03/2021

House 4  2  2 

Exceptional modern quality home in the heart of Rosedale.

This stunning home has been built to a standard well above the normal build, with a shed every man dreams of.

This quality home is only 7 years old and was built on a fantastic 1046 m2 huge block.

The home features 4 bedrooms with a stunning ensuite and walk in robe in the master.

The kitchen, open plan living and dining is in a world of its own. Light and bright with the most modern of cooking appliances, overlooking a beautiful garden and fruit trees. All opening up to a fantastic outdoor entertaining area.

There is a huge 2 car garage, but the best part is the workshop and shed at the rear of the property, with its own drive through side access.

Rosedale has become increasingly popular due to its small town feel but is also close to two larger towns Sale and Traralgon located only 25-minute drive on either side.

Enjoy all our beautiful town has to offer with boutique cafes, primary school, lovely shops and of course the train line directly into the Melbourne CBD.

The perfect place to raise a family or retire in luxury.

Viewing is a must to truly appreciate the many extras and costs put into this home to make it the unique property it is.
