COME INSIDE.

Our floor plan helps you understand how you will create your new life.

LEVEL ONE is a private garage leading to internal stairs.

LEVEL TWO is the family action and living.

Warm timber floors welcome you into the main living room, with flowing access to the kitchen and your lifestyle deck.

Your rear timber deck will be the go-to place and the hub of your home, positioned with elevation and family sized.

New modern, spacious kitchen featuring ample storage with electric cooktop, dishwasher and views to your yard. Adjacent dining room has the elegant space for your family.

Living room is air-conditioned for your comfort and the mood is light filled with open glass wall and immediate step out access to the front veranda. Yes, there is dancing room.

Five generous bedrooms, all with ceiling fans. The main is complete with a brand new ensuite and extensive three door robe.

Your second living room presents with a multitude of options. Waiting room? Yoga room? Parents lounge or extra office space?

A traditional fresh family bathroom services this level with shower over the bath and separate toilet.
