Superb Opportunity to enter the Property Market

Superb opportunity to enter the property market or secure an investment for the future. This brick & tile residence is perfectly placed in a quiet cul-de-sac location and will appeal to young couples, families, investors and retirees alike.

Offering a functional floor plan, the home comprises of 3 bedrooms with built in robes, spacious open plan living area, retro kitchen with pantry, good size laundry and a single lock up garage with remote access.

Set on a large 929sqm block, it is complemented with side lane access, covered entertaining area and a great sized separate shed which could lend its self as a granny flat or guest accommodation (subject to council approval).

With plenty of scope for updating or enjoy as is, this property is well priced and provides an opportunity for entry level buyers to enter the market or for investors looking for a good return given the strong local rental demand.

Conveniently positioned within a short 400m walk to the Kalang River to go fishing, or a 5 minutes drive from Urunga's beautiful township and beaches.
