This lovely Masterton home is 12 years old, and positioned in a peaceful enclave with other quality homes. There are two main bedrooms, both with en suites and two other rooms separated by a third bathroom, plus a study.

The formal living area is at the front of the house and the gas kitchen is central to the informal area which boasts lovely garden views. Fully insulated, there is gas heating, ducted R/C air conditioning and ducted vacuum.

Open for Inspection

By Appointment.

The garden has been beautifully tended and features a stunning rose garden at the front and a level yard with colourful shrubs and flowers around the perimeter. The fully fenced back yard is totally private and has vehicle access, and you can sit under the rear pergola to enjoy your breakfast in the morning sun, due to the northerly aspect.

All in all, this is a solid home in a Blue Ribbon location and ready for you to enjoy, today.
