Swimming in Style - Five Bedrooms, Family Friendly!

This massive family home is generous in space and style with large rooms and high ceilings a feature. Light, bright air conditioned living includes three separate areas including formal lounge, theatre room and a comfortable family living room with timber look floors. Designed for easy living this room incorporates casual living, dining and the well appointed kitchen. The outdoor entertainment area is aspected to the north and overlooks the solar heated, salt water swimming pool that the kids will just love, yet still enough room for the kids play equipment and side access for the boat.

Open for Inspection

By Appointment.

There are five big bedrooms each with built-ins, the oversized main with an ensuite, walk-in-robe and air conditioning. In a quiet street, handy to the Waterbird Habitat and High St Plaza just minutes away, on a larger 768m2 allotment your family won't outgrow this one!
