House 3  1 

So Much On Offer

Often sought but rarely found. This house has a whole lot of features that buyers look for but can never find on Bribie island.

Located just 500m from the water of the Pumicstone Passage in one of Bellara's best streets, you will find this 3 bedroom plus study, brick and tile home, perched upon a massive 924m2 block of land.

There is so much on offer here! The current owners have managed to create something really special and unique.
