

47 Jubilee St, Toodyay, WA 6566

Sold - 11/06/2021

House 3  2  2 

Magnificent presentation! First class quality is the first i

A winding paved driveway through landscaped water wise gardens adds to the privacy of this elevated North facing passive solar designed residence.

Set on 1986sqm the grounds provide self sufficient landscaped food gardens, privacy and shade, all watered by 27,000 litres of rainwater in addition to the scheme water.

Paths throughout that landscape will relax and calm you.

The home has been designed with many quality features from the perfect brickwork to the extra high ceilings, the tiling and glass have been well selected and chosen for easy care cleanliness, perfect natural light and passive solar advantages.

Three double bedrooms and two bathrooms compliment an open floor plan that welcomes visitors to stay over.

A push button garage allows a seamless entry to this secure retreat within the town boundary for all that has to offer.
