Located on the top floor of this centrally located block of units in the heart of Woonona and under 100 meters to the coffee shops and public transport, this renovated property has expansive views up to the escarpment from the north west facing living room and balcony.

Open for Inspection

By Appointment.

The property has an open plan lounge / dining area with air conditioning and the room opens into the renovated kitchen where a lot of thought has been given to a good use of space and this leads onto the internal laundry.

There are 2 bedrooms with the master having a built in cupboard and the second room is being used as a study and is adjacent to the recently fully renovated bathroom.

The property has a ground floor lock up garage and the overall complex is very well maintained.

Inspect is by appointment at this stage and I ask that all people wishing to view the property respect the Covid 19 rules of wearing a mask and use hand sanitiser.
