House 4 2 2

Home Amongst The Gum Trees

The split level design of this brick and tiled roof home creates a sense of spaciousness whilst the private leafy surrounds give the home a sense of calm and tranquility. Presented in immaculate condition, the entry level of the home features three bedrooms, two of which have built-in wardrobes, a three way bathroom and an abundance of storage. The lower level features the main bedroom with ensuite, spacious air conditioned lounge/dining room with raked ceilings and modern kitchen with stone bench tops. There is an additional meals/family room adjacent that's air conditioned for your added comfort. To the rear of the home is a covered deck which looks over the manicured lawns and gardens and through the leafy canopy. This is the perfect place to unwind and relax with a drink whilst listening to the kookaburras sing. Just a short walk to the Goonellabah Tavern and only minutes drive to Schools, Shops and Medical centres, this home requires your personal inspection to truly appreciate.
