Residential Land

READY TO BUILD ON ... NOW!

This is one of those rare vacant blocks of land in Yamba that's ready to be built on ... now!

And the good news doesn't stop there ... it's zoned R3 medium density if you'd like to put more than 1 dwelling on the site.

In a great location across from Wattle Park community garden and within an easy walk of the shopping centre and other amenities this block is perfectly positioned for easy living or for a very saleable small development. With Yamba running red hot at the moment, give us a call today to secure this lot.
