Completely renovated, this home has been reimagined with a style and flair akin to homes found in the pages of magazines. From the warm timber floors to the

open-plan layout and remarkable entertainer's haven, no detail has been overlooked

The bright and welcoming layout is illuminated by the natural light that spills in through the large windows while the open-plan design allows you to flow seamlessly from one space to the next. There is a central kitchen for the avid chef, complete with a walk-in pantry, a large island and a suite of quality appliances to make catering for loved ones a breeze.

The kitchen is open to the family and dining room that is warmed by a fireplace creating a cosy ambience throughout winter. Here, sliding doors open out to the entertaining room complete with a built-in BBQ to enjoy alfresco dining and large windows that overlook the extensive gardens. Sit back and take it in, there is very little to be done. Bi-fold doors retract to embrace the timber deck to ensure easy summertime entertaining.

There are three bedrooms including the owner's suite with a walk-in robe and a luxurious ensuite where you can soak in the bath after a long day. A study could also be used as a guest suite or perhaps a playroom for those with young children and there is also a detached studio that provides an inspired workspace for anyone who likes to create.

A long list of extra features includes a double garage, a detached laundry with plenty of storage, plus an in-built speaker system in the living and outdoor areas for endless entertainment. Year-round comfort is assured thanks to the ducted heating, the natural gas heater and the split system air-conditioning.

This incredible home is set on an impressive 1,790sqm block in the heart of town. You can leave the car at home and walk into Korumburra's main street with the local IGA, cafes, and boutique all within easy reach. For families, the kids can walk to either primary school and ride or walk to Korumburra Secondary College while nature lovers will enjoy easy access to the Korumburra Botanic Park.
