This grand abode truly is second to none, offering you the most memorable and flawless coastal holiday.

Out Look at Sellicks Beach is the perfect base for exploring the myriad of attractions on the South Coast of ALD; world-renowned wineries, small batch distilleries, craft breweries, delectable restaurants, instagrammable beaches, you name it. But of course, you can always simply spend your time relaxing in the comfort of your sumptuous home away from home, soaking in the serenity of it all.

There certainly is plenty to keep your group entertained, just take your pick! Open up the glass bi-folding doors to let the fresh sea air in and sink into one of the plush sofas and pop the Smart TV on. Sink a few eight balls on the billiard table or hit a few balls across the ping pong table. But perhaps the spot is on the balcony. Picture this, a nightcap in hand, soaking in the ambience as the sun paints the sky while it slowly melts into the ocean.

Everyone is ensured a comfortable night's rest, tucked between cosy sheets. And on those balmy summer nights, everyone will be cool below the ducted cooling and ceiling fans in every bedroom. But, sure to be the envy of the travel party are those in the master suite... which is exactly that! Offering sea views and complete with a plush king bed, private Juliet balcony, two walk-in robes and ensuite, this space is fit for a Queen.

Those planning to bring the Boat or Jetski will appreciate the secure ample parking. There's a double garage and double shed with drive through access via the side gate.

Truly, every detail has been meticulously planned to ensure your comfort; from temperature to function and security to entertainment. There will be no questions about returning, only how soon.
