House 4 2 2

### “What a wonderful setting to live”

Nothing like living in a cul de sac on the verge of a beautiful peaceful reserve and great neighbours to boot, of course the home has to match for the dream to be complete.

- \* 4 bedrooms quite large with built-ins, ensuite to the main
- \* Games room with bar
- \* Formal lounge room leading out to the in ground pool and entertainment area
- \* Modern kitchen with 900mm cook top stainless steel appliances, yes if you love to cook you will love this one
- \* Double garage with its high ceiling and a nice steel RSJ beam for the car enthusiast
- \* Covered entertainment area with in-ground salt water pool
- \* Set on approximately 609m<sup>2</sup>

And just look at the price.... well worth a call to book an inspection!
