Usable 5 Acre Block

This elevated 5 acre property has a huge area to build your families dream home, and takes full advantage of its position take in the great views on offer.

The block has a full length front fence, and also has power and full pressure town water connected to the property.

This block is a must to inspect, and I suggest fast, as usable properties of this size do not become available often.

It is also only minutes from local parks, lagoons, shops, school, service station, tavern and the Kooralbyn Golf Resort.

This area is growing fast, and prices are on the rise, so do not miss out on this opportunity.
