WATSONVILLE BUSH ESCAPE with TWO HOMES

If your looking for the great bush escape , then this 16.7 acre Watsonville property would instantly tick the box. With the two homes having modern renovations completed. Power is connected with both homes being on separate meters with a 1.5 kw solar power system fitted and availability of satellite TV, phone & internet ready to be connected. The seasonal spring fed creek with a water fall divides the two dwellings while giving access to both homes. Water supply is secured with a 1 meg water allocation from the Walsh river through a submersible pump and then stored in two 21000 litre rain water tanks.
