A HOUSE FULL OF SURPRISES

This unique home is one that you will want to pass down from generation to generation. Its lovely proportions will provide a welcoming sanctuary for your family and friends. The 2436m2 block provides a variety options such as extending the house, building a spacious shed or chook pen, or growing some veggies.

Being circa 1980s, it is a solidly built brick and tile house on a cement slab. It has four generous bedrooms, two bathrooms and a separate toilet with a bidet. These rooms lead off to the central hallway, which is approximately 2 metres wide. The master bedroom has an equally impressive sized ensuite complete with a large his and hers walk in robe. The second bedroom also has a his and hers walk-in robe and the remaining two bedrooms have built in robes. The hallway, doors, master and ensuite are all designed to be wheelchair friendly.

The kitchen has electric appliances and an enormous walk-in pantry which opens to the dining area and looks across the lounge. Heating is provided by a wood look gas fire and refrigerated reverse cycle heating and cooling throughout.

The open plan lounge, dining and kitchen areas flow out to a family sized alfresco area through large sliding doors, making it the perfect space to wind down. Overlooking the pool and backyard, this space is ideal for outdoor dining and entertainment. There is also a colour bond shed for storage.

Behind the oversized double garage is every man's dream workshop with a toilet and sink. All it needs is a TV and chair and it would be the perfect 'getaway' room (or doghouse)!

This home is in great, but original, condition and ready to be updated throughout. With great bones it will be a spectacular modern home in a beautiful quiet court. Mature trees line the street and surround the back paddock.

8 Como Court represents great value for a real family home. I cannot wait to show you all it has to offer... Call now.
