

16 Boat Harbour Ave, Macleay Island, QLD 4184

Sold - 22/10/2021

Residential Land

Water View Potential from Elevated Block

This 723 m2 residential block is well elevated from the road in a very quiet spot just a stones throw to the beautiful waterfront Council facility at Corroboree Park. The block is uncleared and sloping and would suit a multi-level or pole house design, and you should be rewarded with some easterly views to Stradbroke Island from a high-set design in this position. Boat Harbour Avenue is a quiet cul-de-sac on the east side of Macleay, very handy to the Golf Club and Corroboree Park and just a short drive to all island amenities. Macleay Island offers a unique lifestyle, with a friendly village atmosphere, a scenic marine national park environment and with the essential shops, clubs and services here on the island ready for you to enjoy.
