With its intelligent architecture, premium inclusions and meticulous attention to detail, this extraordinary new home delivers an executive family environment of absolute quality and class in the heart of Sunbury. Bathed in natural light, the home's refined interior boasts three spacious bedrooms, two bathrooms and three toilets.

Downstairs reveals itself in a free-flowing fashion with a relaxed family room delivering the ideal space to connect with family and friends or slip away for some quiet time. A spacious kitchen is appointed with stone benches, herringbone tiles, plentiful storage options and stainless steel appliances, including gas cook top, electric oven and dishwasher and a sheltered alfresco making the most of a delightful northerly aspect.

Additional features include; ducted heating, evaporative cooling, established gardens, quality window furnishings and much more!

Ideally zoned to the thriving Sunbury township, you are also close to restaurants, trams, shops, schools, sporting facilities and the nook, this welcoming home is ready to accommodate a dynamic lifestyle.
