**Well-Established Business known throughout WA**

South West Removals and Storage was established in the mid-1980s and has been operating with the current owners since 2003. The current owner is selling the business separate to the property but you can buy both if you wish!

A well-established business and known throughout W.A they have built an enviable reputation as the go to people for furniture delivery and storage for both commercial and residential clients, particularly throughout the Southwest and Bunbury where the head office is located. Operating extensively throughout the Southwest of the State daily, as well as maintaining a regular road-train service into the Northwest of the State every two to three weeks.
