It is apparent from the outset, that no detail has been spared here and you will be in awe of the stunning landscaping, front decking and porch area that cleverly draws the eye straight towards the inviting front entrance. There is also the added bonus of countless northerly breezes that flow directly through this home.

As you enter through the front door you will be blown away with quality craftsmanship and design as the home boasts soaring 8.8ft ceilings, a refreshing and contemporary colour palette, high quality floating bamboo flooring, ducted air-conditioning throughout and an exceptional lighting and electrical plan that was carefully considered by the current owners when designing the home.

The open plan kitchen, living and dining area all accessible to an amazing alfresco area that features a brand-new rear deck which is sure to be a huge selling feature of the home. The specifically engineered dual, trifold pillar less sliding doors allow a seamless transition from the main living areas inside to the oversized alfresco and a stunning oasis, which is ideal for entertaining family and friends all year round. It is important to note the design of this space also supports the future addition of a pool.

The heart of this home is undoubtedly the executive kitchen offering a mega oversize island bench with breakfast bar, featuring a striking designer range Quantum Quartz bench-top, double stainless-steel sink with insinkerator, inbuilt microwave, stainless steel Smeg dishwasher and power points on each end of the island bench with the added bonus of USB ports, making it the ideal working area for any family. The kitchen also features quality two-pac cabinetry, a state-of-the-art Belling 7 gas burner, 4 oven cooker, and a seamless transition to the over-sized butler's pantry, plus so much more.

There are four generous bedrooms on offer, master suite with luxury ensuite, large custom built walk in wardrobe and importantly offers direct access through a generous sized sliding door to the brand-new back deck and entertaining area. All three remaining bedrooms also include ceiling fans and stylish built-in wardrobes. The family bathroom is modern and spacious and a highlight of both the bathroom and ensuite is the addition of specialty 'Hollywood lights' positioned above both vanities.

Furthermore, the home offers a very spacious concrete laundry, double lock up garage with covered remote control, 5 kW x 20 panel solar system, an additional
