A home makes a statement and this home makes a grand statement. A family home of generous proportions and refined finish, This Clarendon delivers. The downstairs flows with interconnecting spaces creating flexible options for any family, all open and bright but defined and generously apportioned. A grand staircase creates a focus in the home leading to substantial bedrooms and the master suite. The master suite itself is the ultimate vestige of the grand statement this home makes, generous and open yet private and functional. A home design that ensures all efforts are rewarded.

A relaxed home-life is made much easier in a design with large living spaces for the whole family to spread out, this home is designed for such a lifestyle. With plentiful open space that combines the family, kitchen, meals and alfresco, there is plenty of breathing room to entertain the biggest of families.

When the fun starts outside look no further than the newly installed inground pool with salt water chlorinator. The fully fenced front yard with double gate access provides a second layer of security and room for a boat
