

Lot 532 & Round Mountain Rd, Round Mountain, NSW 2484

Sold - \$560,000

Other

Buy a Piece of the Country Life

Just a mere 10 minutes to either Cabarita Beach or Hastings Point is this unique 45 acre block just waiting for someone to take on and make their own.

Currently under sugar cane and earning a nice little income. Could certainly be converted to other small crops if you wanted.

The lot fronts onto Round Mountain Road and has very easy access to the highway interchange at Clothiers Creek.

Keep it as a sugar cane farm or think about what you would use a property like this for. Think outside the box. What about a motor cross track for the kids. Perhaps somewhere to store your trucks or equipment. What about getting some friends together to create a community garden and be self sufficient. The opportunity is only as big as your ideas.

Owner willing to negotiate with a buyer if a solid pad is required close to the Round Mountain Road.

Please Note: there is no Dwelling Entitlement on this lot.

Open for Inspection

By Appointment.
