

198a South St, Centenary Heights, QLD 4350

Sold - \$370,000

House 3  2  1 

Character and Charm! You'll Love it!

This gorgeous home offers all the charm of a by-gone era, and the extra size that is so hard to find! Generous living spaces include the lounge at the front of the home, and the large dining room which adjoins the updated kitchen, where you will enjoy the heat of the original wood stove. This spacious room opens directly to the cosy second living space which could be used as a kids toy room or sitting room. All three bedrooms are a good size, two have built-ins. There are two bathrooms, one positioned handy to the bedrooms, both with shower and toilet.

High above the street, the appeal is timeless, and on a lovely, near level 751m2 block there is easy access to the garage, with a long, wide driveway. Extras include ornate plaster ceilings, cork floors, air-conditioning, security screens and solar panels. With a lovely garden and in a fantastic location, handy to the City, you will love living here!
