The home was quality built by award-winning master builders 'Overlander Homes' and the excellent attention to detail is easy to see throughout.

Landscaped front gardens compliment the home's modern facade and create good privacy from the street as you enter via the covered portico and into the wide reception hall.

The generous master bedroom is privately located at the front of the home on your immediate right and overlooks the tropical front gardens through three banks of glass louvre windows. It also features a walk-in robe and an immaculate ensuite with corner shower.

Continue past the good-sized second bedroom with built-in robe and into the spacious open-plan living/dining area that flows through to the large kitchen and separate family area.

Two sets of wide glass sliding doors open onto the covered patio that overlooks the manicured lawn, low-maintenance established garden and lush rear escarpment for idyllic alfresco entertaining.

You'll also love the premium chef's kitchen that features a high island breakfast bar, quality modern cabinetry including a full-height double pantry and stainless appliances including a gas cooktop and dishwasher.

The third and fourth bedrooms also with built-in robes join the family-sized main bathroom and separate internal laundry off the family area.

There is a bath and shower to the spotless main bathroom that's presented in stylish contemporary tones and the internal laundry adds convenience with built-in storage and outdoor access.

Split system air conditioning and modern floor tiles throughout, a garden shed, and a double lock up garage with an internal entry complete this impressive
