Be located in central North Mackay, surrounded by excellent school catchments, major retail, service stations, takeaway & a short 7min drive on a 4-laned bridge will find you directly in the centre of CBD.

High ceilings, air conditioning, full securities & polished timber floors throughout define this stunning property as a home that you could move straight into without doing any major work on for many years. Two large air-conditioned bedrooms flow directly to the lounge & dining areas, while the kitchen, with servery, acts as a central hub of the home. The front entry, with floor-to-ceiling glass, supported by full-length security screens, acts as a formal welcome or could easily convert into an office or study right at your front door!

Downstairs, the perfectly presented bathroom sits adjacent to the large tiled rumpus room that also includes the laundry & a large linen cupboard.

Outside, the high clearance, double carport allows all-weather access into the house & tandem car accommodation but would also let large boats or vehicles into the backyard. The backyard is enormous & ready for the largest shed construction or fantastic pool & deck, or simply for the kids to run amuck each afternoon!
