

3 William Pl, Lismore Heights, NSW 2480

Sold - 21/06/2021

House 3  2  2 

Open Home Cancelled

This property in Lismore Heights is situated in a prime location, one which is really popular with tenants and owners alike. It is a low-set brick and tile home set in an elevated position on the northern ridge. It is also in a cul-de-sac which ensures peace and quiet living!

There are three bedrooms and a renovated bathroom. The lounge/dining area is "L" shaped and the lounge opens up to the covered northern entertaining area. There is an additional covered entertaining area on the southern side of the house and the detached double garage is spacious with remote door access.

The yard is easy to manage and provides a tranquil shaded place to sit and relax while feeling secure as it is fully fenced. Peace of mind when it comes to children and pets.

Currently tenanted with a long term tenant this would be a great investment or perhaps one to purchase now and move into later.
