Big Family Home. Commanding Elevated Location with Amazing V

When you step foot into this lovely family home you will be impressed with the expansive open plan layout, light and breezes from the Northerly aspect and privacy of this elevated location. This property will appeal to all lifestyles and in particular families looking to live in a central location with all the modern day luxuries.

This home is in a quiet street and captures stunning views and picturesque sunsets you will never lose over the Watagan Mountain Range.

Imagine yourself sitting on the balcony reading a book, enjoying a morning coffee and looking out at the amazing vistas.

Out the back, there is a leafy yard with plenty of space for pets, all-weather entertaining and even a veggie patch.

Upstairs on the top floor is the large master bedroom with a generous walk-in robe and en-suite, three good sized bedrooms all with built-in robes, and a spacious main bathroom that has a bath and shower.

Downstairs on the main floor is the kitchen, living area, large sunroom/rumpus room, meals area, additional 5th bedroom which can also be used as a study/office, a third toilet and laundry.

On the lower floor is the very large double car garage with a massive amount of storage and workshop built in under the stairs.

This property is only a very short drive to Wyong Railway Station (3 mins) and Wyong CBD shops and amenities (3 mins) and Westfield Shopping Centre Tuggerah (8-10 mins), Wadalba shops (5mins), local schools and the M1 Motorway.

- Two generous sized living areas plus a family meals area.
- Ducted air conditioning upstairs and a split system downstairs.
- Good sized kitchen with plenty of bench space including new induction cooktop, oven & dishwasher.
- Great sized master bedroom with walk-in-robe and en-suite.
- 3 good sized bedrooms all with built-in robes.
- Additional 5th bedroom downstairs which can also be used as a home office/study.
