GOLDEN SUNSETS AT GOLDEN BAY

This ex display house still looks as good as it did in 2013. Light, bright and spacious, you can see there has been extra care used when creating this home. It was called the Avalon by Builders Easy Start Homes and according to the current occupant it is a very easy to live in home.

Open for Inspection

By Appointment.

You are very close to the whole Shipwreck Cove themed area which is just a perfect family environment. Minimal gardens to look after which leaves more time for rest and relaxation.

The current tenant is on a periodic lease but would very much like to stay on.
