Grandeur Near The Sea

Beautiful spacious home unlike any other.

This grand family home is big enough for two large families, with accommodation, living spaces, and kitchens on both levels. Perfect for those expecting frequent visits from the family, or a great family home.

The ground floor comprises of a large open plan design with formal and informal living spaces and is bright and airy. The stone-topped kitchen has lots of space for cooking up a storm or a quick bite at the breakfast bench. The formal dining space is large enough for a large table and enjoys a great view of the pool. There are four guest bedrooms and main bathroom on the ground floor which includes the master bedroom which has an ensuite and small outdoor alcove.

On the upper floor you'll find another open plan design with more living spaces, game size billiard table, second kitchen and two balconies. One looking out to the National Park across the road and the other looking out to the pool and gardens at rear. There are three more bedrooms and the third bathroom totalling seven bedrooms in total.
