The functional floorplan of this 4bedroom home boasts a spacious lounge, kitchen/ dining room and the bedroom and bathroom layout is second to none, with the main having an ensuite, WIR. The other 3bedrooms surround a teenage retreat /family room, creating a perfect layout for extra family members, or visitors dropping in unannounced.

One of the main features of this property is the large covered outdoor entertainment area complete with a very enticing plunge pool; the hottest lifestyle accessory during the Covid19 pandemic. The outdoor area located at the rear of the property is sheltered by garden walls and makes for a relaxing and private escape.

This home is definitely a haven for entertainers, offering the perfect balance for indoor and outdoor gatherings.

Rarely do quality homes of this calibre come to market, call Jennifer NOW to arrange an inspection!
