

13 King Valley Dr, Taree, NSW 2430

Sold - 19/05/2021

Residential Land

RARE 1,000sqm BLOCK OF LAND

This is the only vacant block currently available for sale in this estate! A popular place to live, King Valley Drive has some beautiful modern homes already built, and a few in the process.

Build your dream home with space for the kids, sheds, gardens or pool... the choice is yours to enjoy.

With only a handful of recent land releases in Taree, this unique estate offers mainly large lots with a lovely bush setting, and we don't expect this will last on the market very long.

Please note: these lots are not suitable for multi-residential development.

Open for Inspection

By Appointment.
